I further grant to ETCS Outreach, who is coordinating the program logistics, and IPFW the right to use these photographs and/or videos of the student on a related outreach website and possibly in printed materials that explain and inform about this program to the general public. They may also be used in articles for the newspaper or organizations that sponsor the event, camp, or program. I also understand that the student might be photographed by electronic or print media who visit the event for use in an article about this outreach program and that the student may be called upon to answer questions by media representatives. As IPFW does not control the external media, I understand that if I do not want my student to be interviewed, I must instruct them beforehand to refrain from speaking with the media.
